

UC SAN DIEGO Baseball Triton Ballpark Rental Prices

The facility on UC San Diego’s East Campus boasts a brand-new look outside the foul lines, having undergone a major renovation ahead of and during the 2015 season. Some of the main ballpark features include a permanent grandstand to seat just over 500, a press box, new sunken dugouts, a food-truck area, and restrooms, among a number of other amenities. The backstop netting comes all the way down to the ground, putting Triton fans closer to the action than ever before. Two award-winning architectural firms, Gensler and Populous, worked on the design of Triton Ballpark. Populous, which helped create Petco Park, home to the San Diego Padres, formulated the initial concept, while world-renowned Gensler is executing the project to completion.

Triton Ballpark also features the Marye Anne Fox Clubhouse, named in honor of UC San Diego’s seventh chancellor. The 4,000 square foot clubhouse includes a locker room, team showers, laundry and storage area for athletic equipment, and the multipurpose room along, with a hall of fame area.
